Company History

The idea of Cotswold Mobility Limited, was conceived in 2002 by Managing Director Peter Prentice. Being a wheelchair user himself, he has considerable personal disability experience. He also has over a decade of experience within the NHS as a Rehabilitation Engineer. During this time he gained knowledge of all aspects of adult and paediatric mobility equipment, postural equipment, special wheelchair controls and special seating.

Cotswold Mobility not only deals with all types of mobility equipment, consultations are offered to advise on all aspects of mobility impairment.

"Experience has shown that many companies selling mobility equipment at discount prices have insufficient experience to advise or facilities to provide support when things go wrong. Cotswold Mobility Limited was created to provide good quality products, advice and a high level of service at a reasonable price."

Do you have mobility problems?

We are a family run business providing advice, equipment, repairs and servicing for all types of mobility equipment.

We are distributors for some of the leading mobility and stairlift manufacturers.

We specialise in providing "one off" solutions for an individual's particular need.

Example Products

Manual Wheelchairs:
From basic to fully
configurable lightweight
models.

Powered Wheelchairs:
Indoor, Indoor/Outdoor
and Outdoor.

Scoters: From compact
fold up designs to large
8mph models.

Cushions and Aids for
daily living.

Trac About IRV 2000:
Tracked go anywhere
Powered Wheelchair.

Stairlifts: Where stairs
are a problem.

Our pledge to you

- Our staff bring many years of knowledge and experience to you.
- We can assess you in your environment, bringing equipment for you to try. We have access to experienced professionals from all areas of disability and joint assessments can be arranged.
- Repairs and servicing can be carried out at your convenience. If we need to remove your wheelchair we will, where possible, supply you with a similar model, on a loan basis.
- Maintenance and Insurance contracts can be arranged to give full peace of mind. Finance plans are also available if required.
- We also run a small fleet of basic wheelchairs for hire. Available for daily hire or for longer periods if required.

We strive to give our customers the best advice and products to enable them to maintain or recover aspects of independence that would otherwise be compromised or lost.

For a no obligation demonstration or details of our extensive range of optional extras please contact Cotswold Mobility Limited using the details overleaf.

What else we offer

We have extensive experience of all aspects of mobility impairment and offer on site assessments for all your mobility needs.

We are authorised dealers for:

The TracAbout IRV 2000 powered wheelchair. Fitted with drive tracks allowing you to access new territory.

Designed and Manufactured in the USA.

One of the leading manufacturers of mobility equipment with a full range of Wheelchairs, Scooters and Cushions.

Another manufacturer of mobility equipment with a full range of mobility equipment, plus Aids to Daily Living devices.

We are always looking for revolutionary new mobility ideas.
